The Right Honorable the Governor in Council is pleased to publish in General Orders, the following Resolution of His Lordship in Council relative to Lock Hospitals.

That to each Lock Hospital there be appointed a decent Woman of Cast and proper Years to Superintend and regulate the œconomy and internal management of the Hospital under the direction of the Senior Surgeon of the Station on a monthly Salary not exceeding three (3) Star Pagodas.

That another decent Woman be appointed to Assist her as well as for Cooking the victuals of the patients and attending the other duties on a Salary of one and a half ($1\frac{1}{2}$) Pagodas.

That a Totty also be appointed on a monthly pay of one and a half ($1\frac{1}{2}$) Pagodas.

That in addition to the above mentioned Servants others as Coolies be allowed in the proportion of one woman to every ten patients.

That each patient be provided with a Matt and Cumley on being admitted in the Hospital, for the care and preservation of which the female superintendent or Head Nurse to be held responsible—The Matts and Cumleys to be supplied by the Paymaster of the Station on the Surgeon's indent.

That the Sum of one Madras fanam and forty Cash (1 40,) be granted for the diet only of each Native patient. The above allowance for Victualling will in general be fully sufficient, but at some particular Stations where grain the Chief article of food with the Natives is scarce and consequently high priced, it may be found inadequate in such cases, the Medical Board would recommend that one seer of Rice, and half a Fanam in money be granted for each patient.

Where a public building cannot be allotted for an Hospital it will be found expedient to rent or erect a House for that purpose on the Sanction of Government being previously obtained, the expence of which must necessarily vary according to Situation and Circumstances.

His Lordship in Council is further pleased to abolish such part of the General Orders of the 15th April last as may not be consistent with the above Regulation.

G. O. BY GOVERNMENT.

The Commander in Chief is requested to direct that this General Order be translated into the Native languages, and explained to the Native Officers and Troops of the Subsidiary force at *Hydrabad.*

G. O. BY GOVERNMENT.

On the occasion of the intended return of His Majesty's 19th Regiment of Light Dragoons to *Europe*, the Right Honorable the Governor in Council feels the greatest satisfaction in testifying in the most public manner his highest approbation of the conduct of that distinguished and valuable Corps.—From the period of the arrival of his Majesty's 19th Dragoons in *India*, in the year 1782, until the present time that Regiment has shared in almost every action of difficulty and of glory in which the British Arms have been engaged during that long and eventful interval, and has deservedly established a degree of reputation seldom equalled and never surpassed.

His Lordship in Council deems it unnecessary at this moment to enumerate the various instances in which His Majesty's 19th Dragoons have rendered the most important Service to their country: But the glory acquired by that Regiment in the field of Assaye; and the important advantages which resulted from its bravery, discipline and activity on a late memorable Occasion an instance which cannot be omitted, and which can never be obliterated from the Annals of this country, or from the Memory of the British Nation.

His Lordship in Council was pleased by a General Order under date the 27th August 1805, to confer a particular mark of His Lordship's approbation on His Majesty's 74th Regiment at the period of the embarkation of that distinguished Corps, for *Europe*, by granting to the Officers a donation of three Months full Batta—Impressed with similar sentiments on the present occasion, His Lordship in Council has in consideration of the long and brilliant Services of His Majesty's 19th Regiment of Light Dragoons, resolved to extend to the Officers of that Regiment a donation of the same amount, which is accordingly directed to be paid previously to their departure for *Europe*.

G. O. by the Commander in Chief.

The Eulogium that Government has been pleased to express in their late order, upon the services of His Majesty's 19th Light Dragoons, throughout it's long and distinguished Course in this Country, leaves to the Commander in Chief but little to add, except his warmest wishes for the continuance of their uninterrupted Honor and Success, in other Regions of the British Empire.

The Records of Government every where proclaims the value of His Majesty's 19th Light Dragoons in India, and stamp the occasions, where this Regiment has perhaps secured the Foundations of our Empire.

Such Subjects belong to the highest Authority, and have only been briefly mentioned with grateful Acknowledgement. The Bounded Limits of an order were unequal to the History.

It therefore only remains with the Commander in Chief, to state the humbler Sentiments of Approbation of the discipline, good Order, Obedience and Harmony that prevail in the 19th Light Dragoons, which confirm all Opinion, that such are the Foundations, that lead to Glory, cause Admiration and respect, while a Regiment remains in a foreign Country, and ensures to them on their departure, the deepest Regret.

Fort St. George, 30th October 1806.

G. O. By Government.

The Right Honorable the Governor in Council having been called upon to consider with particular attention the grounds of orders lately issued by His Lordship in Council for the discontinuance of the allowance of Full Batta to the Subsidiary Force, stationed in Travancore, the result of the enquiry has entirely satisfied His Lordship in Council of the Accuracy of that Resolution, and it is hereby confirmed accordingly.

It is proper to state that the reconsideration of this subject was forced on the attention of the Governor in Council by an urgent representation of Lieutenant Colonel R. M. Grant, the late Commanding Officer of the Subsidiary Force founded on alleged Complaints of the Officers and Men under his Command with respect to the insufficiency of their Allowances, which supposed complaints appear to have been conveyed by Lieutenant Colonel Grant to the Commander in Chief in opposition to the repeated admonitions of the Resident at Travancore, and in contradiction even to Lieutenant Colonel Grant's own assurances to the Resident.

It being at all times the desire of His Lordship in Council to receive with attention any just representation affecting the interest of the Army, particularly when supported by the Authority of Officers exercising important commands, the Com-

munication

munication which had been submitted relative to the allowances of the Troops at Travancore obtained His Lordship's fullest consideration, and the necessary statements having been received of the prices of the Articles of consumption in Travancore, they were referred to the Military Board for the purpose of undergoing an accurate investigation.

From the result of that investigation it has been distinctly ascertained that the prices of the Articles of life in Travancore are not only not high but are unusualy moderate, and it has been established "that the usual Pay is more than "ordinarily adequate to any necessary expence" in that Country—It has been proved from unquestionable evidence that the Alleged complaints which had received the strenuous support of Lieutenant Colonel Grant had no foundation in any just grounds, and that Officer has been so forgetful of the duty which he owed to the Government, and to his own Character as publickly to recommend the revocation of a formal Resolution for reasons which enquiry has shewn to be unfounded.

In all cases it is obviously the first duty of Commanding Officers to repress groundless clamour in the Officers or men serving under their orders, for it is by such discrimination only that justice can be rendered in those cases where just claims are brought to attention, and that the foundations of Military discipline can be preserved—His Lordship in Council has therefore observed with extreme concern in the present case, an utter perversion of that principle, and by encouraging representations calculated to convey to the Governor in Council an erroneous impression of the state of the Force under his Command Lieutenant Colonel Grant has manifestly departed from the line of his public duty, and has subjected himself to the high displeasure of His Lordship in Council.

The Right Honorable the Governor in Council is willing to hope that the explanation of these sentiments will impress on all Officers a due sense of their public duty, but it is considered proper on the present occasion to observe that His Lordship has had repeated occasion to notice the extreme laxity manifested in the proceedings of Committees of Officers which have been constituted on different public occasions—His Lordship in Council desires that it may be understood that when Committees of Officers may be Assembled for the purpose

purpose of reporting on objects of public enquiry, the Reports of such Committees shall not be received as communications of form, but that Officers who may be employed in the execution of a solemn duty of that nature, shall be held responsible for the accuracy of their opinions and when the duty may appear to have been executed with negligence or remissness, the offending persons shall be made liable to the utmost severity of reprehension and punishment.

By order of the Right Honorable the Governor in Council.

(Signed) G. BUCHAN,
CHIEF SEC. TO GOVERNMENT.

Fort St. George, 1st November 1806.

G. O. BY GOVERNMENT.

The Right Honorable the Governor in Council has resolved to revise the existing arrangements of the Native Invalid Establishment, and with a view to the comfort of the Old and faithful Soldier, to encrease the Number of Invalid Companies and Stations, so that each Native Commissioned Officer, Non-Commissioned Officer and Soldier, on being transferred to the Invalid Establishment may reside in the vicinity of his Family and Friends;

It is therefore ordered that from the 1st of January 1807, the establishment of Native Infantry Invalids shall consist of 46 Companies;—that each Company shall be considered to be attached to an effective Battalion of Native Infantry, shall be permanently stationed in the District where that Battalion was raised, or of which a large proportion of its men may be Natives, and shall recruit for the Battalion to which it is attached, in the vicinity of that station—When in due course of time the effect of this system shall have fully realised the connection of the Battalion with the Company of Invalids attached, and with its local position; that Station will become the depot for the sick, for the Younger Boys on the recruit for the Establishment, and for the Families of the Battalion, when ordered on Field Service; who will there be left in the protection of their connections, in the vicinity of their Families, and, when practicable, under the Superintendance of an European Officer of the Corps, who will regulate their Payment, and communication with the Corps.

Native

Native Commiſſioned Officers, Non Commiſſioned Officers and Privates on being Invalided, to be allowed a choice of the Companies to which they may wiſh to be attached: On the operation of the foregoing Plan being completed, they will however, naturally prefer the Invalid Companies of their reſpective Battalions. The Strength of the Companies muſt neceſſarily depend on circumſtances ſubjecting them to conſtant variation, as at preſent, but their eſtabliſhment of Commiſſioned and Non Commiſſioned Officers, will be 3 Subadars, 3 Jemadars, 10 Havaldars and 10 Naigues each, all others to be borne ſupernumerary until vacancies occur, agreeable to the exiſting Regulation.

The Commander in Chief is requeſted to publiſh the detailed arrangement for the formation, allotment to Corps, and diſtribution to ſtations of the Companies of Native Infantry Invalids on the above principle, and the Right Honorable the Governor in Council is further pleaſed to reſolve that from the 1st of the enſuing Month the pay of Private Sepoy Invalids ſhall be the ſame as that of Effective Sepoys, that the full Pay of Native Commiſſioned and Non Commiſſioned Officers, Drummers and Puckalays of Invalids, ſhall correſpond with that of ſimilar Ranks on the effective eſtabliſhment and that the half Pay of thoſe Commiſſioned Officers who are not on the ſtrength of Companies, or by Wounds entitled to full pay, ſhall be regulated in the ſame proportion.

By Order of the Right Honorable the Governor in Council.

G. O. BY GOVERNMENT.

The Right Honorable the Governor in Council is pleaſed to publiſh the following Regulations for the ſupply of Cloathing to European Recruits which have been eſtabliſhed at the recommendation of the Commander in Chief.

1ſt—The iſſue by the Town Major of *Fort St. George* of a Wollen Slop Jacket to Recruits is to be diſcontinued, but each European Recruit ſhall be ſupplied, on joining his Corps, with a regimental Jacket, and Hat (or Cap) to laſt him till the

the end of the year, when his Cloathing in advance for the succeeding year becomes due, and his regular account Commences with the off-reckoning Fund.

3d—Cloathing to European Troops being issued in *advance* it does not become the property of the Soldier until the expiration of the year for which it was supplied.—In the event of removal or Casualty before that period the Jacket and Cap (or Hat) of such Casuals are to be retained and placed in the Regiment or Battalion store.

4th—The Cloathing of all "time Expired," men who decline to reinlist, and quit their Company for the purpose of obtaining their Discharge at any period prior to the 31st of December, is like that of other "Casualties," to be lodged (if issued for the same year) in the stores of the Regiment; as it only becomes at the end of the year the Property of the soldier.

5th—From this store of Cloathing, Recruits or Drafts from other Regiments are to be supplied to the extent it will afford and a Memorandum is to be inserted at the foot of the Monthly return of each European Corps of the Hon'ble Company's Service when sent to the Adjutant General's Office stating the Number of suits in store, to guide his Orders for the supply of *new* Cloathing for Recruits.

For having addressed to the Adjutant General of the Army, a letter under date the 11th September 1806, conveying insinuations of the most disrespectful nature against His Excellency the Commander in Chief; and casting the most injurious reflections on the conduct of his Commanding Officer, Colonel Campbell, at the time he (Captain Gourlay) was under an arrest, and therefore not competent to agitate subjects of a military nature.

FORT ST. GEORGE, (Signed) P. A. AGNEW,
20th Sept. 1806. *Adjutant General of the Army.*

SENTENCE.—The Court having maturely weighed and considered, all that has appeared before it in support of the Prosecution, as well as what the Prisoner has urged in his defence, is of Opinion, that he is *Not Guilty* to the *full extent* of the first Charge set forth against him, and

and it doth therefore acquit him of the same; but, the Court is of opinion, that the Prisoner *is Guilty* of Conduct unbecoming an Officer, and highly indecorous, in transmitting to the Head Quarters of the Army thro' different channels, Charges, Allegations and Insinuations against Colonel Alexander Campbell, his immediate Commanding Officer, tending to prejudice his said Commanding Officer's reputation and insult his authority, which he has failed to Substantiate but which do not appear in every instance destitute of foundation.—(In pronouncing this Opinion, the Court disclaims all idea of inculpating the conduct of Colonel Campbell; for the points to which that opinion refers, "as not destitute of Foundation," relating solely to the details or quota of Artillery Men and Gun Lascars ordered for daily duty, and Colonel Campbell's demeanor to Captain Gourlay on that Occasion, cannot in the Judgement of the Court, constitute Grounds for a criminal Charge against him, but might have been the subject of respectful reference and appeal to superior authority, if felt as a serious Grievance.)

The Court is of Opinion, that the Prisoner is *Guilty* of the 1st Additional Charge, in so far as—"Conduct highly unbecoming an Officer and a Gentleman, and subversive of military discipline, in aspersing falsely and infamously to Head Quarters of the Army, the Conduct of his immediate Commanding Officer, Colonel A. Campbell, in one additional Charge under date the 28th August, and in a Letter to the Adjutant General of the Army, dated 11th September; and that he is *Guilty* of Conduct, subversive of military discipline, in disrespectfully reflecting on the conduct of his Commanding Officer, Colonel A. Campbell, in his letter to the Adjutant General dated 28th August;—but it acquits him of every other part of that Charge.

The Court finds the Prisoner *Guilty* of the 2d Additional Charge.

The Court finds the Prisoner *Guilty* "of having "addressed to the Adjutant General of the Army, a "Letter under date the 11th September 1806. conveying Insinuations

" Insinuations of the most disrespectful nature against His " Excellency the Commander in Chief, and casting the " most injurious Reflections on the Conduct of his " Commanding Officer Colonel Campbell, and disobedi- " ence of Orders in addressing a Copy of the said letter " direct to Government," as set forth in the 3d Additional Charge.

The instances in which the Prisoner has been found Guilty, being to the prejudice of good Order, and military discipline, the Court does by virtue of the Rules and Articles of War, as established for the better Government of the Company's Troops, adjudge the said Prisoner Captain John Gourlay to be Cashiered.

G. O. By Government.

The Right Honorable the Governor in Council having adverted to the inadequacy of the Allowances hitherto granted to Adjutants of the Honorable Company's Service on account of Candles and Stationary has resolved that the Sum of Pagodas 2 21 per Month, at present allowed to those Officers, shall be increased to Pagodas five per Month, which is to have effect from the 1st of the ensuing month.

His Lordship in Council considers this additional allowance connected with the advantage to be derived from the indulgence authorized by General Orders of the 4th ultimo, by which Adjutants of the Honorable Company's Service are permitted to receive Stationary from the Public Stores at prime Cost, to afford those officers ample means of defraying the expense for which the Allowance is granted.

The Adjutants of His Majesty's Service receiving a part of the allowance for Stationary granted to each Regiment, it has not been deemed necessary to include them in this Regulation.

By order of the Right Honorable the Governor in Council.

Fort St. George, 14th November 1806.

G. O. By Government.

The Right Honorable the Governor in Council having been informed that much inconvenience and embarrassment is frequently experienced equally by Officers of the Army as by the Office of audit from the circumstance of the muster and Inspection Reports of Camp Equipage not accompanying the Pay Abstracts in which the Charges for Tent allowance are included, and also from the Abstract Muster Roll

which

which at present accompanies Pay abstracts not affording the necessary information to answer the end for which that Voucher was established, it has been resolved that from and after the 1st January 1807, the following Regulations shall have effect for the purpose of obviating the inconvenience which has resulted from the former system in regard to Muster Rolls.

1.—That the Musters of Corps, Department, Camp Equipage, Cattle, Artificers, Carriages and followers of every description, now subject to Muster, shall continue to be taken, as at present, by Commanding or Staff Officers every two months, viz. January, March, May, July, September and November.

2.—That in the intermediate Months, viz. February, April, June, August, October and December, similar Musters in every respect shall be taken by heads of Corps and of all Public Departments, the Rolls of which are to be made out under precisely the same Regulation in regard to form, Signature and Declaration of the Mustering in Officer, as is at present observed in Regular Muster.

3.—That in future the original Muster Rolls of Corps, &c. and the Muster and Inspection Reports of Camp Equipage are to accompany the Pay Abstracts (to which they have reference) when sent for payment, in the same manner as the Abstract Muster Roll has hitherto done, and are to be considered by Paymasters as indispensable Vouchers by which the Pay Abstracts are to be compared and checked by them previous to payment, and subsequently passed in their accounts by the Military Auditor General.

4.—That in consequence of the foregoing Regulation it is ordered that the transmission of Muster Rolls of Troops, Camp Equipage, &c. direct to the Office of the Military Auditor General (by mustering Officers) shall be discontinued; and that the separate Abstract Muster Roll which has hitherto accompanied the Pay Abstracts shall be abolished, the original Muster Roll being intended to supply the place of that voucher, it is however to be understood that the Abstract at the foot of each Muster Roll is to be continued as formerly.

5th—That in order to defray the additional expence of Stationary which will be incurred by Officers Commanding Troops and Companies from the operation of these Regulations, the allowance at present granted for Stationary is increased in the following proportions, Viz.

To

To each Troop of Native Cavalry, each Company of European Artillery and Infantry and each Company of Native Infantry.	From 21 to 30 fanams per month.

To each Division or three Companies of Gun Lascars, from 1 Pagoda to 1 Pagoda 18 Fanams per Month.

To every One Hundred European Invalids and Pensioners—from 21 to 30 Fanams per Month.

To every three Companies of Native Invalids and Pensioners—From 21 to 30 Fanams per Month.

The Returns of Camp Equipage to the Quarter Master General of the Army to be continued as directed by the Regulations of the 22d May 1802.

The attention of Paymasters is particularly directed to those Regulations by which the Muster and Inspection report of Camp Equipage, signed by the Mustering Officer, is uniformly required to accompany all abstracts in which Tent allowance may be included when presented for payment.

The above Regulation is considered equally applicable to His Majesty's as the Honorable Company's Service, as far as regards the Muster of Artificers, Puckallies, Followers, & all public Servants attached to Corps, including Camp Equipage, Cattle and Carriage of every description which are now subject to Muster.

SENTENCE.—The Court having maturely weighed and considered, what has appeared before it in support of the Prosecution, and what the Prisoner has urged in his defence, is of opinion, that the Prisoner is "Not Guilty" of the Crime as set forth in the Charge against him, and it doth therefore acquit him of the same;—but, the Court is of opinion, that the Prisoner, Subadar Shaik Omer, is "Guilty" of "addressing the Jemadar of his Company in Language of a Seditious Nature on the 14th August."—And it doth therefore by virtue of the Rules and Articles of War for the better Government of the Company's Troops, adjudge the said Subadar, Shaik Omer to be cashiered, and he is hereby cashiered accordingly.

G. O. By the Commander in Chief.

The following Extracts from the confirmed Proceedings of a General Court Martial, assembled at Seringapatam, for the Trial of Lieutenant W. T. Hill, on Thursday the 6th November 1806, under authority from Major General Macdowall, commanding the Forces in Mysore, and of which Major P. Richardson, of the 2d Regiment of Native Infantry, is President, are published to the Army.

Lieutenant W. T. Hill 1st Battalion 5th Regiment Native Infantry, put in arrest by Captain Thomas Cosmo Gordon of the 1st Battalion 5th Regiment Native Infantry, on the following

CHARGES.—For Conduct towards me highly unbecoming an Officer, and a Gentleman, in the following instances.

1st—For coming to my House on the 8th Instant, and without provocation challenging me to fight a Duel with him the ensuing morning, whilst I was on duty as Captain of the day.

2d—For making use of threatening and insulting language to me at the above period, endeavouring to excite me to fight a duel, whilst I was on duty, by saying, "I was no Gentleman if I did not meet him"—although Lieutenant Hill was aware that a recent instance of his misconduct then under reference to His Excellency the Commander in Chief prevented my holding any communication with him.

SENTENCE.—The Court after having duly and maturely weighed the Evidence against the Prisoner Lieutenant W. T. Hill, as well as what he has urged in his defence, is of Opinion, that the said Prisoner, Lieutenant W. T. Hill is Guilty of having challenged Captain T. C. Gordon to fight a duel on the Evening of the 8th of August, whilst Captain of the day; but not without provocation.

The

The Court is further of Opinion that the said Prisoner is Guilty of making use of the expression mentioned in the 2d Charge, viz. "You are no Gentleman if you do not meet me;" but the Court is of Opinion that the Prisoner was induced to use this expression by the insulting treatment he had previously received from Captain Gordon.

The Court having found the Prisoner Lieutenant W. T. Hill Guilty of a part of the 1st Charge, viz. for challenging Captain T. C. Gordon to fight a duel with him on the Evening of the 6th of August, when Captain of the day—and, of that part of the 2d Charge, which states the Prisoner to have made use of the expression—"You are no Gentleman if you do not meet me."—They do therefore sentence the Prisoner, Lieutenant W. T. Hill to be Cashiered.

Remitted at the unanimous intercession of the Court.

24th November 1806.

The Commander in Chief approves and confirms the Proceedings of the General Court Martial of which Major Richardson was President upon the Trial of Lieutenant Hill of the 1st Battalion 5th Regiment, by which that Officer is sentenced to be Cashiered for endeavouring to excite Captain Gordon of the same Regiment to fight a Duel.

As the Court by an unanimous and urgent intercession recommend Lieutenant Hill to clemency, on account of his Youth and inexperience, and the peculiarly irritating and insulting Conduct of Captain Gordon, His Excellency is induced, though with reluctance, to remit the Sentence.

It will be esteemed singular, and His Excellency laments, that the Prosecutor should himself have furnished any Palliation of

of an Offence, that so justly subjects the person who commits it to the utmost rigour of Military discipline.

The Commander in Chief trusts, that this may be the last Offence of Lieutenant Hill, as hitherto his Conduct has been brought to his notice, in the most unfavorable light, and if not essentially altered, will lead to ruin.

On publication of the Sentence and this Order at Seringapatam, Lieutenant Hill to be released from arrest.

G. O. By Government.

The Right Honorable the Governor in Council has received with the utmost Concern a Report of the measures which have been recently adopted by Lieutenant Colonel Monckton Grant, the Officer exercising the temporary command of the Subsidiary Force at *Travancore*, under an erroneous distrust of the fidelity of the Native Troops under his Command—It appears that on that impression, without any appearance of improper conduct on the part of the Troops, that Officer proceeded to the extremity of disarming almost the whole of the Native Troops attached to the Subsidiary Force.

Without at present animadverting on the proceedings of Lieutenant Colonel Grant, His Lordship in Council deems it necessary to take the earliest opportunity of making known to those Troops, that the measure adopted by that Officer was entirely unauthorized, and that it has excited the greatest regret in His Lordship's mind—His Lordship in Council desires that it may be explained to the Troops, that entire confidence is entertained in their fidelity and good conduct, and that His Lordship is satisfied that no adequate reason existed for imposing upon them the degradation which they have experienced.

His Lordship in Council has been pleased to resolve that these sentiments shall be explained to the Troops through the Channel of Lieutenant Colonel Macaulay Resident at *Travancore*.

VELLORE, 21st November 1806. } (Signed) G. HARCOURT—*Colonel,* *Commanding Vellore.*

SENTENCE.—The Court having most deliberately weighed and considered the whole of the prosecution together, with the prisoner's Defence, and the evidence adduced in support of each, finds the Prisoner guilty of disrespect to his immediate Commanding Officer, on or about the 3d of October 1806—but acquits him of behaving with insolence, as specified in that Instance of the Charge.

With respect to the Second Instance of the Charge the Court is of Opinion that the Prisoner is not guilty, and do therefore acquit him thereof.

The Court finds the Prisoner guilty of insultingly withdrawing himself from his duty on or about the 3d of October 1806—But it does not appear to the Court that the Prisoner was expressly ordered by his Commanding Officer to attend to any particular duty.

With respect to the fourth instance of the Charge unofficer-like Conduct in the above instances on or about the 3d of October 1806—The Court finds the Prisoner guilty thereof.

In considering the first Additional Charge—The Court is of opinion that the Prisoner did break his Arrest as therein specified, and find him guilty thereof accordingly.

But

But the Court acquit the Prisoner of the second Additional Charge.

The Court having found the Prisoner Lieutenant M. Blakiston of the 1st Battalion of Pioneers guilty as before specified, and the whole of which Offences being in breach of the Articles of War for the better Government of the Officers and Soldiers, in the Service of the united Company of Merchants of England trading to the East Indies—it doth adjudge him the said Lieutenant M. Blakiston of the 1st Battalion of Pioneers to be Cashiered.

I remit the Punishment.

(Signed) J. F. CRADOCK.

The Commander in Chief has remitted the Punishment awarded to Lieutenant Blakiston on the earnest recommendation of the Court; founded on that Officer's evident, although extraordinary Ignorance of the Nature of an arrest.

His Excellency trusts that the Expected effect of such Example will be fully produced by the *award* of the appropriate punishment, altho' not in this instance enforced with rigor.

It is however incumbent on the Commander in Chief not to pass unnoticed the other breaches of discipline, specified in the Sentence--"Disrespect to a Superior Officer" and "insultingly withdrawing himself from Duty" of which Lieutenant Blakiston has been declared guilty are offences which the Commander in Chief considers as demanding the most pointed expression of his disapprobation and which, had they not been connected with the "breach of arrest" which required the positive Sentence of "Cashiering" would no doubt have been marked by the Court with their appropriate punishment."

On publication of this Order at *Vellore* Lieutenant Blakiston will be released from Arrest.—But the Commander in Chief deems it necessary to remove him from the Corps of Pioneers, and to direct him to return to his duty with the 1st Battalion 5th Regiment of Native Infantry.

The General Court Martial to be at the same time dissolved.

Lieutenant

Lieutenant J. Scott, of the 22d Regiment Native Infantry, is appointed to the 1st Battalion of Pioneers, vice Blakiston removed.

HEAD QUARTERS: CHOULTRY PLAIN, *27th Dec.* 1806.

G. O. BY THE COMMANDER IN CHIEF.

The Commander in Chief derived extreme Satisfaction from his Inspection of the Squadron of Horse Artillery this Morning.

It was peculiarly gratifying to Sir John Cradock, who witnessed the birth of this Establishment, to observe the Rapid Progress, they have made towards perfection; and his Excellency returns his warmest acknowledgements to Colonel Bell Commandant of Artillery for the pains he has bestowed upon this infant institution, and requests that he will communicate to the Commanding Officer, Captain Noble, and the other Officers of the Squadron, how sensible he is, that their appearance in the Field, with the view of their regularity and good order in Quarters, could not be effected without the most laudable and Unanimous Exertion.

His Excellency entertains the warmest hopes, that the Honorable Court of Directors, may view the Establishment in so favorable a light, that an extension will be directed, and that in its due proportion, an Arm, which has had so powerful an Influence upon the Warfare of the present day in Europe, will not be denied to the Military Character in India.
